was confined mostly to switching. The close was steady, 18 points net higher than Saturdaq's final figures.

NEW YORK DRY GOODS.

New York, January 2.-The dry goods market opened quiet. The jobbing houses are opening their printing goods and a striking variety of styles Receipts this season to date- is shown. Further inquiry is reported in the China market but no business has been done. It is announced that advances will be made in several lines of printed and colored cottons after the first of next week. It is also stated that carpets will be further advanced.

> NEW YORK STOCK MARKET. New York, January 2.-Prices of stocks wavered uncertainly today and showed a tendency to settle back to Monday's closing level. The volume of | Erie . . business was on an insignificant scale The constraint of the speculation was not explainable by any immediate developments, those being mostly favorable. But the longer outlook was the subject of much consideration and of greatly mixed interpretation. There in the annual reviews on the great showing of the year just passed, but there was in all of these a rather surprising unison in the note of caution mingled with even the most hopeful presages and from that ranging down- Minn. A striking feature of the day's financial markets was the violent advance in the foreign exchange market. The demand for remittance seemd urgent in OATS-No. 2 mixed 48 to 50; white spite of the easing of money markets abroad. It was inferred that obliga-houses was 12 per cent The Hill stocks were supported and there was a subsidence of the rumors of money Southern Railway r.fd. clines in those stocks. There were other points of occasional strength but they yielded in the course of the trading. The market closed irregular and near the lowest prices of the day.

> Bonds were irregular. Total sales par value \$1,804,000 United States bonds were unchanged on call. Total sales stocks 484,400 shares.
